

A FARMER
By Paralee Eadie

A farmer is truly
A servant of God,
His faith growing daily
As he works the sod.

The miracle of growth,
Watching the soil bloom
Season after season
Does not leave him room

To doubt a Creator
Or His divine plan
To use the humble farmer
To feed his fellow man.

Harvest after harvest
He bows his knee to God,
Grateful that the good Lord
Made him a tiller of the sod.
