

I'M SO HAPPY

By Paralee Eadie

(Can be sung to the tune of "Mammy's Little Baby")

Once my heart was black as night,
Full of sin and full of strife.
I asked Jesus to come in,
Now my heart has no more sin.

CHORUS

I'm so happy, so happy in Jesus,
I'm so happy in Jesus my Lord.
I'm so happy, so happy in Jesus,
I'm so happy in Jesus my Lord.

Satan's like a lion, roamin' around,
Looking up and looking down,
Grabbing all that he can see,
But I've got Jesus, he can't touch me!

CHORUS

I've got a Father up above
Who takes care of me in love.
He says I'm a kid of the King,
And I can ask Him anything.

CHORUS

With a shout and a trumpet blast,
Jesus is comin' again at last.
Comin' again to call His own
And take them to a heavenly home.
