

JESUS IS RISEN
By Paralee Eadie

(Sing to the tune of Jesus Loves Me)

**God looked down and He was sad
That the people were so bad.
For their sins they all must die,
None could live with Him on high.**

CHORUS:
**Jesus is risen, Jesus is risen, Jesus is risen,
Oh Happy Easter Day!**

**God knew something must be done,
So He sent His own dear Son
To a place called Calvary
Where He died for you and me.**

CHORUS

**Three days after He'd been dead,
He arose just like He said.
The great stone was rolled away
On that Happy Easter Day.**

CHORUS

**Thank You, God for Easter morn,
That we now may be reborn,
That to Heaven we might go
Just because You love us so.**
