

SHOW ME
By Paralee Eadie

Show me your eyes.
Can you close them tight?
Are they opened or closed
When you sleep at night?

Show me your hair.
Is it straight or curly?
Do you brush it when
You get up early?

Show me your teeth.
Are they shiny and white?
Do you brush with a toothbrush
Morning and night?

Show me your hands.
Do you use them to play?
Can you show me how
You fold them to pray?

Show me your feet.
Are there one or two?
Are they barefoot now
Or in a shoe?

Show me the other
Boys and girls you see.
Is each one special?
Is there just one me?
