

STEP INTO YOUR DESTINY

By Paralee Eadie

You have a God-given destiny
That He uniquely created you for.
He gave you all your talents and gifts
And placed desires deep within your core.

For years you have worked diligently,
Gaining knowledge for this very time.
You're at the pinnacle of your youth,
But there's another mountain to climb.

Your destiny is waiting for you;
It will take you a lifetime to achieve.
You've been endowed with everything you need,
So look up, step out, be bold and believe!
