

THE FREEDOM OF OPINION

By Paralee Eadie

The President has made a choice
With which you disagree.
What is your obligation
And your responsibility?

Should you organize a protest?
Find others who agree?
Bring out the banners and the signs
And protest marchingly?

You have the right to do that.
Our Constitution does provide
The freedom of opinion
In our great countryside.

But is that the best choice?
Or the only thing to do?
What would be the greatest help
For the red, white, and blue?

God has outlined a great plan
Concerning leaders everywhere.
For those in authority,
The greatest need is prayer.

'Tis God who moves the heads of state
Where He wants them to be,
Though we do not always understand
Or see the things He sees.

So exercise your freedom.
Agree or disagree.
Just remember your greatest weapon
Is that of bended knee!

"I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks be made for all men, For kings, and for all that are in authority," I Timothy 2:1-2
